

Wood Lane Primary School

How Sport's Premium Money has been spent and benefitted the school during 2016

- Children enjoy P.E and Games lessons. This is supported by the increase of children taking part.
- There is a wider choice of sports taught during P.E lessons, through an investment and purchase in equipment and training of staff during previous years.
- All K.S.1 children attend a lunch time sports club run by Sport's Coaching Northwest, on a weekly basis. So meet the 2 hrs a week of P.E.
- All children in Years 3-5 attend weekly swimming lessons at Jubilee Baths in Newcastle from September to Easter. After Easter Year 2 join the group. By the time they leave Year 6 for High school, all children are able to swim.
- A Change for Life club is to be run by Mr.Copnall with children from Years 1-6 attending. This is aimed at children who do not participate in after school activities, or have low self esteem and confidence within P.E.
- Ron Case teaches Years 1-6 weekly dance lessons, resulting in the children performing at the Victoria Hall in the Razzmatazz Dance Festival, every Summer term.
- All children perform in the Gym, Dance and Music show held every Spring term within school. This helps to build self-esteem and confidence in performing. All parents are invited to join us and watch the show.
- The introduction of Intra school sports competitions each term. The competitions are worth points and these add up towards a trophy presented at the end of each school year. All the children in the school take part at some point during the year.
- Weekly netball, gym and football training sessions for Years 3-4.

- Years 2, 4 and 6 spend a period time away at Outdoor Education Centres, where children experience a wide variety of outdoor activities.
- We have obtained the Sainsbury's Schools Silver Award for sport for 2015-2016. The second successive year we have achieved an award, with Bronze in 2014-2015.
- Wood Lane organised a cricket tournament at Wood Lane C.C, involving two other primary schools, Richard Heathcote and St Nathaniel's Academy. This is to become an annual event with certificates for all participants.
- Organising a health week in June: Keep Fit, Healthy Eating, Cricket competition
- The children's performances in Inter school competitions, has greatly improved. Here are a few examples:
 - 1) Joshua Murinas finished 20th in the Newcastle schools Boy's Cross Country League, during the 2016 season. The boy's team finished in the highest positions for a team from Wood Lane, during the 2016 season.
 - 2) The KS1 and Year 3/4 Multi-Skills teams won a selection of Bronze, Silver and Gold certificates at the Inter school competition at Sir Thomas Boughy.
 - 3) Chloe Henderson (Year 3) won gold in the girl's Individual Breast Stroke at the Newcastle Small School's Competition.
